

Let the Truthful Mirror Show You The Superiority Of Our Clothes

Why let some "slick-tongued" salesman induce you to buy an ordinary looking, ill-fitting suit when you can come to our store and get one of our suits that will not only look and fit well but wear well.

After all it is the wear that counts, for a suit that wears well is sure to retain its shape. In this day of deception it pays to be careful about the store you go to and the clothes you buy.

THINK THIS OVER This Offer Should Gain the Confidence of the Most Skeptical

I pay for all the medicine used during the trial, if my remedy fails to completely relieve you of constipation. I take all the risk. You are not obliged to me in any way whatever, if you accept my offer. That's a mighty broad statement, but I mean every word of it. Could anything be more fair for you?

A most scientific, common-sense treatment is **REXALL ORDIOLIN**, which is eaten like candy. Their active principle is a recent scientific discovery that is odorless, colorless and tasteless; very pronounced, gentle and pleasant in action, and particularly agreeable in every way. This ingredient does not cause diarrhea, nausea, flatulence, griping, or other inconvenience. **REXALL ORDIOLIN** are particularly good for children, aged and delicate persons.

If you suffer from chronic or habitual constipation or the associate or dependent chronic ailments, I urge you to try **REXALL ORDIOLIN** at my risk. Remember, you can get them in Maysville only at my store. 12 tablets, 10 cents; 25 tablets, 25 cents; 50 tablets, 50 cents. Sold only at my store—The Rexall Store, Thos. J. Chenoweth, corner of Second and Union streets.

A report from Miami, Fla., says the crop of potatoes in that section promises to be one of the largest in the history of the State.

Robbed Clothes Line
Tuesday evening between 7 and 8 o'clock thieves visited the home of Mrs. W. H. Bartrum near the L. & N. round-house, and stripped her clothes line of some men's undergarments. This is to warn other neighbors to be careful how they leave their clothes hang out on the line all night. Mrs. Bartrum thinks she knows the party.

GAY WINS AGAIN Second \$500 Bagged by Kentucky's Expert Shot

PARIS, KY., February 28th—The second day of the big bird shoot at the grounds of the Hill Top Gun Club, in Bourbon county, attracted a large crowd of sportsmen from many places and witnessed the second victory for Mr. J. D. Gay of Pine Grove, Clark county, against Mr. Harry Kahler of Philadelphia, Mr. Gay's record being 92 out of a possible 100 birds, while Mr. Kahler brought down 81.

The closing shoot of the tournament will be held Friday afternoon and will attract the largest crowd that has yet assembled on the grounds, on account of the large stakes for which these two gun experts are contending, being \$500 for each day.

The gage marks 37.6 and falling.

Women

From Forty-Five to Fifty Are Much Benefited by
Lydia E. Pinkham's Vegetable Compound.

The "change of life" is a most critical period in a woman's existence, and the anxiety felt by women as it draws near is not without reason.

When her system is in a deranged condition, she may be predisposed to apoplexy, or congestion of some organ. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

These symptoms are calls from nature for help. The nerves are crying out for assistance and the cry should be heeded in time.

Lydia E. Pinkham's Vegetable Compound is prepared to meet the needs of women's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried many women safely through this crisis.

Mrs. Estella Gillispie

ONE CASE OUT OF MANY TO PROVE OUR CLAIMS.

St. Anne, Ill.—"I was passing through the change of life and I was a perfect wreck from female troubles. I had a displacement and bearing down pains, weak fainting spells, dizziness, then numb and cold feelings. Sometimes my feet and limbs were swollen. I was irregular and had so much backache and headache, was nervous, irritable and was despondent. Sometimes my appetite was good but more often it was not. My kidneys troubled me at times and I could walk only a short distance.

"I saw your advertisement in a paper and took Lydia E. Pinkham's Vegetable Compound, and I was helped from the first. At the end of two months the swelling had gone down, I was relieved of pain, and could walk with ease. I continued with the medicine and now I do almost all my housework. I know your medicine has saved me from the grave and I am willing for you to publish anything I write to you, for the good of others."—Mrs. ESTELLA GILLISPIE, R.F.D. No. 4, Box 34, St. Anne, Illinois.

That Julian and Hobart Peaback, sons of Mrs. Jones Peaback of near Hooktown, are the youngest tobacco growers in the State is almost a certainty.
